Lover of London, gifted psychologist, frequent police consultant " Frieda Klein is many things. And now she's a person of interest in a murder case. A body has been discovered in the most unlikely and horrifying of places: beneath the floorboards of Frieda's house.

The corpse is only months old, but the chief suspect appears to have died more than seven years ago. Except as Frieda knows all too well, he's alive and well and living in secret. And it seems he's inspired a copycat...

As the days pass and the body count rises, Frieda finds herself caught in a fatal tug-of-war between two killers: one who won't let her go, and another who can't let her live.
